

COALITION OF ACTION
LEADING CHANGE
A WONDERBAG INITIATIVE

WHAT YOU DO MAKES
A DIFFERENCE, AND YOU HAVE TO
DECIDE WHAT **KIND OF DIFFERENCE**
YOU WANT TO MAKE.

- Jane Goodall

COALITION OF ACTION
UNITES COMMUNITIES
& LEADERS ACROSS
THE GLOBE
IN ORDER TO ADDRESS MANY OF THE
WORLD'S SDG'S

CREATE A
**SUSTAINABLE CSI
INITIATIVE GOAL
FOR YOUR COMPANY
WITH WONDERBAG
AS YOUR CATALYST**

BY EMPOWERING
COMMUNITIES ACROSS THE GLOBE

Bring a total solution of a better life to women
in the rural world, connect brands with data,
lifestyles and prosperity.

HOW DO YOU COLLABORATE?

You as a business invest in a minimum of
1000 Wonderbag carbon credits – Wonderbag
connects you to communities aligned to your CSI
goals and activates your initiative

WHAT DO YOU GET ?

- A unique opportunity to offset your business's carbon footprint
- A total solution to activate a sustainable CSI initiative for your business
- Measurable data on impact
- To be a part of the global COA initiative
- Guaranteed PR and media coverage
- Access to Sarah Collins as a guest speaker at a company event

OUR COA MISSION

To bring together
business leaders
and enablers
to collectively activate
change in communities
through Wonderbags

OUR COA GOAL

Collaborate
To End
Poverty

WE HAVE THE POTENTIAL
TO SAVE AND IMPROVE THE
QUALITY OF MILLIONS OF LIVES
BY PROVIDING THEM WITH A
SIMPLE COOKING DEVICE.

- Sarah Collins

THE DIFFERENCE WE CAN
MAKE TOWARDS THE SDG'S

- Directly reduce deforestation
- Address gender inequality
- Create multiple entrepreneurs
- Eradicate Time Poverty
- Build sustainable models to change the economic status of communities
- Get girls back into school
- Reduce death from indoor air pollution
- Minimise the risk of rape and assault

Climate Neutral Group
for better business

The Wonderbag carbon credits are eligible for
use under the South African carbon tax, providing
companies the opportunity to pay less carbon tax

The Wonderbag carbon credit project in South Africa
is registered under the Verified Carbon Standard
(VCS). It is measured and monitored by external
researchers and audited by independent
certification agencies.
